

# Partnering to **SAVE** you Time and Money

## **Security** that offers you peace of mind

Payroll transactions utilize 128 bit encryption similar to online banking technology ensuring the ultimate in security.

Our disaster recovery strategy ensures your data will always be safe. All employee information is held off-site at a primary data centre on our Canadian back-up servers. (Your payroll data will never pass through the USA.)

Our direct deposit and our password protected e-stubs enhances overall security.

## **Flexibility** to suit your payroll needs

Our web based payroll service is designed to allow business operators/owners the freedom to complete their payroll from any computer with an Internet connection. Access to your payroll information 24/7.

Features such as direct deposit, statutory holiday calculator and e-stubs, frees up time to focus on the most important aspects of your business.

## **Compliance** to minimize your risk

Our payroll professionals will help you every step of the way ensuring your payroll is done correctly and on time.

All system enhancements and updated tax tables are FREE!

- 90 day risk-free guarantee.
